Honorable Cyrus R. Vance
Deputy Secretary of Defense
Washington, D. C. 20301

Dear Cy:

As you requested, attached is a list of program issues that I would like to raise in connection with the National Reconnaissance budget for FY 1967. I understand that the first five issues have been raised with the NRP Executive Committee. My staff has discussed the last three with members of the DDR&E staff.

Issues on the reduction of the advanced Cartographic System to [redacted] and [redacted] have not been included because I understand these actions have already been agreed to.

Sincerely,

Charles L. Schultze
